## How would you categorize your business?

Select the option that best describes how you interact with your audience and what they come to you for. This helps brands learn more about your business.

### Social Influencer

My audience follows me for entertainment, education and community, and they engage with social-native content that we produce.

### Content/Reviews

My audience comes to my properties to learn more about specific products or product categories, find gift ideas, read reviews, and make informed purchasing decisions.

### Loyalty/Rewards

My audience receives compensation (monetary or otherwise) when they make purchases and I help connect them to those rewards.

### Deal/Coupons

My audience relies on us for to save money and make savvy purchasing decisions. We present coupons, vouchers and/or discounts on this property.

### Email/Newsletter

My audience subscribes to regular communications bringing together valuable content, discounts, and other information.

### Search/Comparison

My audience uses our platform to discover and compare products, services, or prices across multiple vendors, helping them find the best options and make informed decisions based on their specific needs and preferences.

### Network

We bring together a range of publishers to allow advertisers access to the audiences they are looking for.

### Technology Solution

We provide innovative technological solutions that enhance the customer experience and drive conversions through various touchpoints, including (but not limited to) banking integrations, post-checkout offers, retargeting tools, or embedded software solutions.

### Cross Audience Monetization

My audience purchases my products and I link them to similar, noncompeting products for other brands.
